Check out our courses here

If you come and study at the INSPé, we will welcome you and help get you started:

- **Asking for a visa**: follow the formalities of your home country at the embassies and consulates in France
  - Go to the Campus France website
  - Go to the CROUS website to learn about their International Student Welcome Centre. There, students will help you with your application for a resident permit (or its renewal) by checking the application is complete and transmitting it to the Prefecture.
